

RCMC Board Elections 2022 Candidate Statements

Richard Baggett

Before retiring I worked for a rural electric coop in Illinois. While there I served on the safety committee and contract negotiations. I also served 8 years on the school board while in Illinois.

We moved to Texas in 2010. We lived in Kyle for 6 years where I was on the HOA Board for a year and a half. Since we moved to Rocky Creek Ranch, I have attended most monthly board meetings and helped out on the scheduled work days. In May 2019 I joined the Board. I have no other personal agenda other than working together to make the POA the best it can be for our neighborhood.

Douglas Duvall

I have lived in Texas for 61 years and have been married to my loving wife Sharon for 37 Years. I had worked for a major Electrical Utility for 36 years as a Protective Relay Master Tech (I & C) and retired in 2017. We moved to Rocky Creek in May 2018 and I have been on the Board since 2020. Since on the Board I have had a hand in being on Operations and have worked diligently to update all the cameras in the park.

Rita Ellison

I am a wife to a wonderful husband David Ellison, mother to a Son Henry, daughters Brianne and Emily. All of whom have since left the home but come back often for visits. We have lived in Canyon Lake since 1998, but in the neighborhood since 2013. I have decided to run for a Board Member position because since semi-retirement, I have come to realize that our community in which we call home needs our support to continue to provide a Safe and maintained community for us to enjoy way into retirement.

I have worked all my life and have my own Bookkeeping company, dabble in Cakes every now and then. I feel as our community grows; neighbors should always want to keep our community as well maintained as we do. Keeping it safe to walk with our family's, play at the playground, swim at the pool. Maintain our homes as much as the next person with Guidance from our ACC. This is our forever home, this is where my grandchildren love to come and play outside, see the deer, ride bikes in a safe community. I would like to help maintain that safe community for all to enjoy.

Deborah Garcia

I have lived in Rocky Creek Ranch for over four years. I have been serving on the board in an interim position since I returned from a deployment with the Army last summer. I live here with my three college-aged children; Audra, Lucas, and Camden who attend Universities in Texas. I love everything about this community and have enjoyed getting to know more of my neighbors since my return from Kuwait.

I am about to retire from the Army Reserves with thirty years of service as a nurse and I have been finding ways to serve my community in other ways. Aside from the board position and volunteering for our neighborhood events, I sing in the choir at St. Thomas the Apostle Catholic Church and in the Harmony Belles, as well as volunteering with the New Braunfels Cat Coalition and the Canyon Lake Animal Shelter. My civilian job is at Resolute Health where I am the Director of Case Management. I also enjoy fitness and triathlete events. As a Colonel and a Director, I have been blessed with my experiences in leadership and organization, and would love to continue to serve on the board going forward to give back to our wonderful community.

Virginia King

I've lived in Rocky Creek Ranch for 5 years. I have been a temporary board member for the last few months. During this time I have come to appreciate our neighborhood even more. I would like to continue to be a board member and help come up with ideas that benefit our community.

Lori Steed

Sandy Stratton

In 2001 I purchased my land in Rocky Creek Ranch then built and moved here in October, 2006. In 2012 I joined the Board where I worked with the Finance Director on the budget. In 2013 I accepted the position of Finance Director.

I am pleased to be able to provide a service to our community that I have been providing to my clients for many years. This includes working with various homeowners' associations in the preparation of their financial planning, budgets, statements, tax returns and accounting software training and audits.
